Happy Birthday America!

On July 4, 1776, the United States claimed its independence from Britain and Democracy was born. A truly diverse nation made up of dynamic people, Americans celebrate the "land of the free and the home of the brave" every year with picnics, barbeques and family gatherings.

No stranger to Fourth of July Celebrations, the St. Croix Yacht Club, once again hosted an amazing barbeque and fireworks tribute to our countries birthday. Over 300 guests enjoyed an amazing BBQ spread by Anchor Catering and were joyfully entertained by the music of Jazzy Blue. Over 3000 residents and visitors to St. Croix had the opportunity to immerse themselves in the splendor of patriotic color that filled the skies over Teague Bay on Monday night. "It was so colorful and exciting; I wish we could have fireworks every night!" said Challis, junior member of the St. Croix Yacht Club.

After over 30 year of sponsoring this event, the St. Croix Yacht Club plans to continue this long standing tradition. "Not only are we proud to be members of the St. Croix Yacht Club," said Commodore Joe San Martin, "but we are also proud members of the St. Croix community and really enjoy sharing this event with everyone."
