## 2010 SUMMER JUNIOR SAILING PROGRAM

### Financial Aid Policy

St. Croix Yacht Club provides financial aid to families who could not otherwise afford to send their children to Summer Sailing Camp. An application for financial assistance must be completed and turned in to the Yacht Club along with a copy of your latest tax return, including all schedules, by June 1, 2010. Please note the following guidelines:

1. Funds are limited and requests for assistance are many. When awards are made, a number of factors are considered, including, but not limited to the following:
  - a. The family's financial situation
  - b. Number of siblings enrolled in the program
  - c. Space availability in the classes applied for
  - d. Academic and behavioral records
  - e. Recommendations of former instructors
2. No application will be processed until all required information, including the most recent tax return with all schedules, has been submitted.
3. The financial aid committee is comprised of a small number of the members of the Yacht Club Administration and the Board of Trustees. They will review all applications and accompanying documents in strictest confidence. The list of names of financial aid recipients is never published or distributed
4. Financial aid is awarded without regard to race, creed, color or ethnic origin.
