

St Croix Yacht Club Sailing Program

Covid19 Protocol Plan

SCYC respectfully requests that all members, guests and program participants strictly follow these operating rules and procedure guidelines. SCYC is committed to providing a safe and fun sailing program that keeps everyone healthy.

- Sanitizing stations throughout SCYC.
- Instructors and sailors **MUST** wear face coverings inside the clubhouse and when unable to social distance..
- Sailors should always social distance
- Sailors should bring their own PFD daily - not to be left at SCYC.
- Sailors come to practice dressed in their sailing gear and leave practice dressed in their sailing gear.
- Boats taken off the rack and prepositioned by the instructors.
- Instructors will let sailors know where their designated areas are. Sailors **MUST** remain in his/her area.
- Sailors rig only their own boat.
- Only one sailor in the sail shed at a time.
- Sailors only touch their own dollies and boats. They launch their boat, tie off and return dolly to their designated boat area. (No stacking of dollies)
- If it rains, social distancing must be observed. Parents are contacted for early pickup, unlike in the past.
- Coach boats: Instructors use teamwork and social distancing to operate and clean coach boats.
- Boats need to be washed off as sailors pull up at the end of sailing.
- **If a parent or sailor doesn't feel well, stay at home.**
- Launch and retrieve is a scheduled operation to avoid clustering of boats and sailors, and is strictly enforced. Instructor will call in one boat at a time to the beach for recovery.
- No locker usage. Sailors are to stay in their designated area, on the east end of the property.
- Sailors keep their personal snacks and water in their boat or designated area (cubbie)
- Use hands free bottle filling station. Coaches will not have coolers or water on their boats.
- There is no lost and found during this time. All gear left out at the SCYC will be disposed of using proper PPE.
- Parents may schedule meetings with staff via email.
- Private lessons will be scheduled with the Waterfront Coordinator so as not to upset the balance of social distancing and allowed number of sailors/persons at the SCYC at any one time.
- ***Private boat launching will be scheduled with the Club Manager or Waterfront Coordinator so as not to undermine social distancing protocols and maximum number of sailors/people within designated areas at any one time.***

- *Please call SCYC if you plan to launch or haul your boat. On Summer Sailing Program days (M-F), personal Member boats may launch Prior to 9 AM and/or between noon and 1PM, but not come back until 4 PM, unless there's an emergency, or launch after 4PM. Weekend and School year schedules will also be posted.*

If any participant, member or guest who is unable to follow these rules and guidelines may be asked to leave the premises and/or program until they are able to follow procedures/protocol.
